

DUBRAINS 2026

DAYSTAR UNIVERSITY BUILDING RESPONSIBLE ARTIFICIAL INTELLIGENCE (AI)
FOR INCLUSIVE NETWORKED SOCIETIES CONFERENCE 2026

MAY 7 - 9, 2026
NAIROBI, KENYA

Submit Your Abstracts!

We invite submissions for oral and poster presentations at the Daystar University Building Responsible Artificial Intelligence (AI) for Inclusive Networked Societies (DUBRAINS) Conference 2026, taking place on May 7–9, 2026, in Nairobi, Kenya at Daystar University.

Share your insights and contribute to shaping global dialogue on Artificial intelligence, including this year's theme on **Reimagining Africa with AI: Ethics, Innovation, and Inclusion for a Transformative Future**. The conference will be organized around key subthemes that address pressing issues shaping AI and Africa's future.

Sub-themes

- AI and the Future of Work in Africa
- Ethical AI: Policy, Governance, and Justice
- AI for Sustainable Development
- Inclusion and Equity: Gender, disability, and rural participation in AI development
- AI, Pedagogy, and the Future of Learning
- AI, Creativity, and African Culture
- AI in African Governance and Public Services
- Local Innovation and Africa's AI Start-Up Ecosystem
- AI, Faith, and Ethics
- Cybersecurity, Data Protection, and Digital Sovereignty
- AI in Health: Transforming Healthcare Delivery, Access, and Outcomes

Submissions are open!
